Morning Melodies at the Skipton Hospital

What a wonderful atmosphere was created in the spacious lounge room at the Skipton Hospital last Tuesday morning for a morning melodies session with Cath and John Kavanagh providing the music and hostel and nursing home residents providing the great singing.

Lovely old numbers like 'When I Grow Too Old To Dream', 'Beautiful Dreamer', 'The Happy Wanderer' etc all happy songs, lots of love, all sung gently with no yelling or violence or so I thought until Cath hit the keyboards for 'My Bonnie' which is really a sweet little song that is until you hit the second verse -who knew there was a second verse??? I didn't and if you know it let this paper know - there may be a prize if you get it right and sing it at the next community market on Saturday 14th September where Cath might even accompany you.

Watch next week's Community Newsletter for the words which will reveal it's not such a sweet little song after all.

Above: Vietnam Veteran Bob Baysinger raises the flag with Friends of the RSL President Graham Layley watching on.

Vietnam Veterans Day, Skipton, 2024.

It was a privilege for the Friends of the RSL Skipton Branch to be able to hold a ceremony in Skipton on Sunday 18th August to honour Australians who served in all branches of the Services, those who were wounded and survived, and those who were damaged by their experiences. And especially we think of those who died in the service of their country in the Vietnam Conflict .

A deeply committed gathering was welcomed at the Skipton War Memorial by Friends' President Graham Layley, who recalled the history of the Vietnam War and the part played by Australian Servicemen. The date, August 18th is that of the Battle of Long Tan, fought in 1966, in the rubber plantations east of Nui Dat. By a bizarre coincidence that afternoon troops were being entertained in Nui Dat by singers Little Patti and Col Joye, troops on patrol could hear occasional snatches of sound through the trees! A talking point on Sunday was our "sound track" to the informal BBQ lunch that followed the brief service and the laying of significant wreaths, the music of the sixties has survived so well.

It was a privilege to have with us on Sunday Malcolm Fletcher and Bob Baysinger, both veterans who identify with Skipton. Wreaths were laid to commemorate the lives of veterans Paul Heenan and Des Zanker, Skipton men who returned from Vietnam, and who have recently passed. As part of his address Graham Layley read a list of those veterans who we will continue to honour (due to this late entry to the Skipton Community News this will be published next week), we would very much appreciate contact with anyone we have missed, or who have made Skipton their home recently.

Thank you Skipton for helping so willingly, especially our sponsors the Country Grocers who provided the food, and the numerous helpers who made this special day the meaningful occasion it was, a day of acknowledgement, memories and thanks to a generation of young Australians who served their country.

Drop-in sessions to help older residents

Friendly faces are out and about in the Corangamite community, helping older residents access the services they need.

Corangamite Shire Council's Positive Ageing & Inclusion team are visiting libraries across the Shire.

"So far we have been to Camperdown, Cobden, Derrinallum and Skipton," Service Navigation Support Officer Lesa Best said.

Two more visits are planned for each of those towns, in August and September.

"We are having a great time meeting our wonderful senior residents and sharing information on the assistance that is available to them," Ms Best said.

"A whole range of aged care and assessment services are provided by a range of different organisations across the Shire.

"At times that might be confusing or intimidating but we're here to help our residents get the support they need."

Ms Best said the team could help residents

- understand the aged care system including eligibility, access, assessment and how to find a service provider;
- link in with other agencies including social services, health and community participation opportunities;
- join in with active aging programs and activities to keep them healthy, active and connected; and
- access food relief.

"We can also link carers to support services and networks, and advocate for the community," Ms Best said.

"Getting to know our residents face to face means we know their needs and can advocate for our community.

"The Navigation Support Program is free and confidential. Come along to one of the sessions below to learn how the Navigation Support Program can help you."

"If you can't get to any of the library sessions, you can call us on [5593 7100](tel:55937100), email servicenav@corangamite.vic.gov.au or fill in a form at corangamite.vic.gov.au/Community/Ageing-and-Inclusion

"We can come to your home or arrange for an appointment at a location that suits."

BUSHFIRE SCENARIO WORKSHOP

Golden Plains Shire Council in partnership with Red Flag Leadership and Safer Together Victoria is hosting a community workshop in Dereel to assist residents with what to do in a bushfire scenario.

The workshop will be held on:

- **Sunday 8 September** from 10am to 12pm at the Dereel Community Hall.

Facilitated by Jamie Mackenzie from Red Flag Leadership, the workshop will explore the realities faced in an emergency or disaster and how those challenges may be tackled – breaking down what's required and developing the skills necessary to look after each other and visitors in the town.

Participants will learn more about the importance of recovery leadership and the challenges of making decisions under stress, as well as gain tips on how to manage stress and uncertainty in an emergency.

Participants will also have the opportunity to share their knowledge with other members of the community and work together to develop a community response to emergency.

To register to attend the workshop, visit goldenplains.vic.gov.au/events or email emergencymanagement@gplains.vic.gov.au

For further information on the workshop, contact Council's Bushfire Resilience Officer at enquiries@gplains.vic.gov.au or call 5220 7111.

Moreton Hill Wind Farm

The proposed Moreton Hill Wind Farm is located on Wadawurrung Country, about 35 kilometres southwest of Ballarat. The wind farm will have up to 62 turbines, producing enough electricity to power around 260,000 homes and prevent almost 350,000 tonnes of emissions annually.

The wind farm is proposed to connect to the electricity network via a new underground 220kV powerline to the Berrybank terminal station about nine kilometres south of the wind farm.

SKIPTON CRICKET CLUB

At the annual meeting of Skipton Cricket Club, Mr A. M. Elder, president, occupied the chair. When nominations were called for officers for the ensuing year, Mr Elder was re-elected to the position of president and Rev W. A. BoWak was re-elected secretary. Mr W. Brand was chosen for captain, with Mr C. Austin as vice-captain.

Some discussion took place on a proposal to prepare a turf wicket, but it was eventually decided not to go on with the project because of the difficulty of maintenance. A report that the Recreation Reserve committee intended to have the ground levelled after the football matches were finished was received with favor.

It was decided to improve the existing wicket by re-laying same and another improvement will be to obtain nets for practice purposes.

MEETING OF RETURNED MEN

Mr C. E. Newton presided at the monthly meeting of Skipton Branch of the Returned Sailors and Soldiers League on Friday, 7th inst., having twelve members in attendance.

Correspondence was received and accounts were passed for payment.

On the motion of Mr Newton, seconded by Mr E. Wise, it was decided to send a donation of £1/1/ to the Ballarat Branch, and at the same time to thank that Branch for its attention to two members of Skipton Branch whilst they had been inmates of Ballarat Hospital.

It was agreed to ask permission from Hampden Shire Council to erect a flag-pole in front of the Club Room, Messrs D. O'Connell and G. Jones having moved to that effect.

Following that, Mr T. Walker moved and Mr P. Nash seconded that a pennant be purchased, bearing the words, "Lest We Forget." The measurements of the pennant were mentioned as 6ft. long by 3ft. wide at the base.

The motion was carried.
