### Remembrance Day Saturday November 11<sup>th</sup> 2023

*They shall grow not old,  
As we that are left grow old:  
Age shall not weary them,  
Nor the years condemn.  
At the going down of the sun  
And in the morning,  
We will remember them*

*Friends of the RSL Skipton Branch will  
conduct a brief service at the  
War Memorial, Anderson Street, Skipton  
At 11.00 a.m.  
on Saturday 11<sup>th</sup> November 2023.  
All are invited to attend.*

*Following the Service  
Morning Tea will be offered to participants  
In the Supper Room of the Skipton  
Mechanics Hall from 11.15 a.m.*

*This year the Friends have marked  
with a poppy each grave or memorial  
in the Skipton Cemetery  
that commemorates the life,  
service and sacrifice of a  
Skipton soldier.*

*We hope visitors will take the opportunity to  
Visit the Cemetery, on Currie Street, Skipton,  
Which is open to all.*

*Please contact Secretary, Friends of the RSL  
Skipton Branch on 0403530293 for further  
information or help with transport  
if you wish to attend.*

# BSHS NEWS BULLETIN

## ANNUAL GENERAL MEETING

---

Dr. Margaret Way (Board Chair) and the Board of Directors of Beaufort and Skipton Health Service invite you to attend the Beaufort and Skipton Health Service 27th Annual General Meeting.

**The Annual General Meeting will take place at the Beeripmo Centre, 1 Lawrence Street, Beaufort on Wednesday 22 November at 2:00pm.**

Guest speakers are Meryn Pease (Chief Executive Officer) and Kim Stevens (Learning and Development Manager) with the theme Reward Comes From Investment 'Our People'.

Please RSVP and lodge any questions by Friday 17 November to Narelle Harrison, [Narelle.Harrison@bshs.org.au](mailto:Narelle.Harrison@bshs.org.au) or 5349 1682.

## FIRST NATIONS MORNING TEA

## SKIPTON PHONE BOOK UPDATE 2024

**Time to notify your changes and inclusions for SCN Telephone Directory Update for 2024.** Skipton & District Telephone Directory is produced (and updated annually), as a service to the local Community of Skipton & Districts and farming communities by Skipton Community News. (I feel it is important to keep the Advertisements details as accurate as possible which is why it is annual.)

All care is taken to ensure that the information contained is accurate and correct at the time of publication.

Many new residents have arrived during 2023 and your details are very important so that others can contact you. The actual Phone Book is getting thinner and thinner each year, so not a good reference point to get a Tradesman or a Business to conduct your affairs.

There is a Draft Copy with the listings for the proposed 2024 "White Pages" Directory at the Skipton Post Office, Roadhouse and at the Country Grocers Supermarket in Skipton, available for you to check listings and to make any alterations needed, to ensure accuracy of information prior to printing. If you wait too long you might miss out.

New residents are invited when filling in their details to also add a note that there has been a change of occupancy of that address, so that the listing of the previous owner can be deleted.

LISTINGS FOR 2021 SKIPTON AND DISTRICT TELEPHONE DIRECTORY ARE WELCOMED DURING TERM 4.

Drop in top one of SCN Boxes either at The Roadhouse, or Supermarket (Winnie the Pooh on outside of box.)

Feel free to alter errors that you see as you check through the Draft Directory. I really don't want to leave in any errors if I can help it. I need your help to find the little typos and errors prior to printing.

Accuracy is dependent on you all to provide all of the details with care. I want it to be accurate.

Advertisers are advised that the Rates for Advertising in alter slightly in the New Year, first change for years. **K**

What a week it has been! There has been so much excitement around the school from all of the students playing cricket. On Wednesday, they absolutely all did us proud! With some late little call ups to the girls teams, I was so excited to see wonderful fielding, accurate bowling and the most incredible team spirit led by our Ruby, Charlotte, Marnie and Evie. The boys team, were so exciting to watch too. With the boys able to encourage each other continually and smash the ball over the boundary repeatedly. A big thanks to Mrs. Bourke, Sarah M, Greg and all of the parents and grandparents there taking photos, scoring and supporting students on the day! A special thanks to Scott for his support of the students at lunch and coaching the boys team on the day!

This week, I have attended a Principal Network Meeting and Conference, and have been able to strengthen my learning around quality conversations, data literacy and teaching reading. We were also lucky enough to visit Geelong Tech school and try out the technology they have there!

Congratulations to Grades Prep – 4 and their teachers for a successful Earth Ed Visit, thanks to Georgie for all of her hard work putting this together!

Our Grade 5 students also went to visit the Kinder and met some of the preps for next year, building lots of excitement around buddies for 2024.

Tess and Occy have been busy creating invitations for families to come along and attend our Student Voice Sports Afternoon, we really hope that you have received yours and will be able to make it on the day!

Next week, Miss Zoe Collins will be back to support OSHC Thursday and Friday morning while we have staff out of the school.

Don't forget, it's a long weekend! Looking forward to seeing lots of rested faces back next Wednesday, when the Grade 3/4 students will head off to camp!

Thank you,  
 Chanelle

**Awards**

Congratulations to the following students for their efforts in the last few weeks. Awards will be presented at our next assembly

**Grade Prep/One :** Henry Barr – For working hard on his writing. Well done Henry!

**Grade Two:** Isabel Read - being a positive role model in the Grade 2 classroom. Isabel always follows instructions, is kind to her peers and always puts in her best effort.

**Grade Three/Four:** Nullah for always respecting his peers and putting his hand up to help out when needed. Thank you Nullah.

**Grade Five/Six:** Georgia Liston - Consistently going above and beyond to help others, never complaining and always striving to do her best. Your enthusiasm is infectious!

**Georgie's award:** Emma Watts - For asking and answering lots of questions in science, and creating great drawings to tell us about her learning.

**Principal's award:** Alex Liston – for the enthusiasm, imagination and excitement he shows towards his role as Student Voice Representative. Thank you for always sharing your ideas and coming to our meetings with a smile, Alex!

**Our Learning Next Week...**

From Mrs. Britton	We loved learning about how circuits work and digitech in the STEM academy at Earth Ed on Thursday. Thank you Georgie for organising the trip. After the long weekend we return to school on Wednesday and will continue our reading block each day including Big Book, guided reading and reading task board . We have enjoyed sharing and listening to our persuasive texts. We will complete a writing assessment task on Wednesday or Thursday. In maths, we are practicing skip counting and learning about multiplication.
From Michelle	I hope everyone enjoys their extra long weekend this weekend. Next week we will be completing some assessments in reading, writing and Maths. We have been enjoying reading some of the new big books on reading eggs and working as a team to complete the comprehension quiz as a class. In Maths we are going to begin revising what we have learnt this year by doing a quick metal maths task at the beginning of each lesson. We will also continue focusing on the four operations.
From Miss Sheils	The grade 3/4 students will be enjoying their extra day at home Monday and will hopefully be refreshed and packed for our camp at Cave Hill Creek from Wednesday to Friday
From Mrs. Bourke	Week 6 in the 5-6 room will be short but packed full of purposeful learning and assessments. We'll continue focusing on Multiplication; having covered the area model in week 5, we'll now focus on the standard long multiplication algorithm. 5-6s will also complete some assessments this week, including a reading comprehension assessment and a writing assessment that will allow us to moderate writing across the school and form consistent judgements ready for report writing. Our 2024 prep students will visit us on Thursday morning and spend some time with their new buddies.

Grade 3 and 4 Camp

Camp information has now been processed on Compass and permission and payment should be done through the Compass app please. A hard copy of the information and a what to bring list has been sent home with the students today. Any questions please see Sarah or Natalie.

Parent Helpers

We are always looking for parents to come along and support our learning at school. If you have a Working with Children's Check, we would love you to come and listen to our students read! This helps the students to identify that their learning is valued and important. If you don't have a WWC, we can assist you in this process if you would like to be involved!

We would also love to know if we have any parent volunteers for our School swimming program, the more the merrier!

Students that travel by bus

There have been some reports about behaviour on the school bus. If your child travels by bus, can you please encourage them to speak up to Dale, Jane or us at school if they see or hear things that aren't ok!

Past Students of Skipton

You may have seen or read about 2019 Graduate Sara Kennedy in the media this past week. At the ripe old age of 16, Sara Kennedy has graduated from a Cricket State Champion here at Skipton Primary School in grade 4 to becoming a part of the Melbourne Renegades Women's Big Bash starting 11 and earning herself a well deserved player contract! Congratulations to Sara and we wish her well on her journey to one day playing with Australia!

You may just see her on Channel 7 tonight at 8.40pm v's the Perth Scorchers!

If you know of any other past students that are doing wonderful things, please let us know!
